Dear Mr Lee,

Since the beginning of 2004, the Air Force has changed their Fitness Program and put a tremendous demand on our office, the Health and Wellness Center (HAWC). In turn, I have had to request numerous, large, and urgent print jobs with your staff at Patrick AFB.

I would like to bring to your attention the true quality of staff you have with Ron Baker and Morris Harrington at Patrick AFB print shop. The two individuals go above and beyond each and every day to satisfy their numerous and demanding customers at Patrick AFB. They have met all request our office has submitted, no matter how short the time frame. Trust me, some of our request have only given them a few hours to complete but each time they come through, always with a pleasant smile and courteous attitude.

It is a true pleasure for myself and staff to work with Mr Baker and Mr Harrington. Without their help and diligence I would be unable to complete the workload placed on the HAWC. Please thank them for all their professionalism and hard work.
